EDUCATION

Bachelor of Technology

APJ Abdul Kalam Technological University

08/2018 - Present

College of Engineering Kidangoor,
Kottayam, Kerala

Courses

- Electronics and Communication Engineering

High School

RVSM Higher Secondary School

05/2016 - 03/2018

Prayar, Oachira.

WORK EXPERIENCE

Frontend Developer

ATFG

03/2021 - 04/2021

Kerala, India

GTech is the premier industry association of Tech companies operating in Kerala.

Achievements/Tasks

- Contributed to Frontend Web Designing works of ATFG Website

Contact: ATFG - academia@gtechindia.org

SKILLS

Embedded System Design

Graphic Designer

Electronics Circuit Designing and PCB fabrication

Web development

C++

Javascript

Matlab

proficient computer skills

IoT

Flutter

PERSONAL PROJECTS

Weather app

- A simple Weather app made with Flutter which Displays geographical position, weather details of the location where you are standing. More project details can be found on github page

Double Clap Switch

- A clap Switch which responds to multiple claps, made with Attiny85 microcontroller. Also the number of claps the device should respond to can be reprogrammed

ORGANIZATIONS

IEEE (12/2018 - Present)

Member of IEEE & IEEE Student Branch ,College of Engineering Kidangoor

CERTIFICATES

Fullstack Web Development (08/2020 - 03/2021)

Fullstack Web development Course which includes HTML, CSS, Javascript, MongoDB, Node.js, React, SQL

LANGUAGES

Malayalam

Native or Bilingual Proficiency

English

Full Professional Proficiency

Hindi

Professional Working Proficiency

INTERESTS

Electronics Circuit Designing (Analog and Digital)

Embedded System Design and Programming

Android app development with Java, dart & Flutter

Poster, Flyer designing using Photoshop

Data Security

Machine Learning
